

## EUROPEAN TENNIS TROPHY

### Point Allocation Tables

Note re: rankings. Where points are awarded according to ranking, it is done on an inverse basis. The nation of the top ranked player receives the maximum amount of points (100 in a sample of 100 players) and the nation of the last player to be ranked receives 1 point.

#### Professional Tennis

##### ATP/WTa Rankings

| ATP/WTa Singles<br>Position (Top 100) | Points | ATP/WTa Doubles<br>Position (Top 20) | Points |
|---------------------------------------|--------|--------------------------------------|--------|
| 1                                     | 150    | 1                                    | 50     |
| 2                                     | 149    | 2                                    | 49     |
| ...                                   | ...    | ...                                  | ...    |
| 149                                   | 2      | 49                                   | 2      |
| 150                                   | 1      | 50                                   | 1      |
