D. Offenses

Commission of any offense set forth in Section D or E of this Program including a violation of the Reporting Obligations or any other violation of the provisions of this Program shall constitute a Corruption Offense for all purposes of this Program.

1. Corruption Offenses.

a. No Covered Person shall, directly or indirectly, wager or attempt to wager on the outcome or any other aspect of any Event or any other tennis competition.

b. No Covered Person shall, directly or indirectly, solicit or facilitate any other person to wager on the outcome or any other aspect of any Event or any other tennis competition. For the avoidance of doubt, to solicit or facilitate to wager shall include, but not be limited to: display of live tennis betting odds on a Covered Person website; writing articles for a tennis betting publication or website; conducting personal appearances for a tennis betting company; and appearing in commercials encouraging others to bet on tennis.

c. No Covered Person shall, directly or indirectly, solicit or accept any money, benefit or Consideration for the provision of an accreditation to an Event (i) for the purpose of facilitating a commission of a Corruption Offense; or (ii) which leads, directly or indirectly, to the commission of a Corruption Offense.

d. No Covered Person shall, directly or indirectly, contrive or attempt to contrive the outcome or any other aspect of any Event.

e. No Covered Person shall, directly or indirectly, solicit or facilitate any Player to not use his or her best efforts in any Event.

f. No Covered Person shall, directly or indirectly, solicit or accept any money, benefit or Consideration with the intention of negatively influencing a Player's best efforts in any Event.

- j. No Covered Person shall, directly or indirectly, offer or provide any money, benefit or Consideration to any Tournament Support Personnel in exchange for any information or benefit relating to a tournament.
- k. No Covered Person may be employed or otherwise engaged by a company which accepts wagers on Events.

2. Reporting Obligation.

a. Players.

- i. In the event any Player is approached by any person who offers or provides any type of money, benefit or Consideration to a Player to (i) influence the outcome or any other aspect of any Event, or (ii) provide Inside Information, it shall be the Player's obligation to report such incident to the TIU as soon as possible.
- ii. In the event any Player knows or suspects that any other Covered Person or other individual has committed a Corruption Offense, it shall be the Player's obligation to report such knowledge or suspicion to the TIU as soon as possible.
- iii. If any Player knows or suspects that any Covered Person has been involved in an incident described in Section D.2.b. below, a Player shall be obligated to report such knowledge or suspicion to the TIU as soon as possible.
- iv. A Player shall have a continuing obligation to report any new knowledge or suspicion regarding any Corruption Offense, even if the Player's prior knowledge or suspicion has already been reported.

b. Related Persons and Tournament Support Personnel.

- i. In the event any Related Person or Tournament Support Person is approached by any person who offers or provides any type of money, benefit or Consideration to a Related Person or Tournament Support Person to (i) influence or attempt to influence the outcome of any aspect of any Event, or (ii) provide Inside Information, it shall be the Related Person's or Tournament Support Person's obligation to report such incident to the TIU as soon as possible.
- ii. In the event any Related Person or Tournament Support Person knows or suspects that any Covered Person or other individual has committed a Corruption Offense, it shall be the Related Person's or Tournament Support Person's obligation to report such knowledge or suspicion to the TIU as soon as possible.
- c. For the avoidance of doubt, (i) a failure of the Reporting Obligation by any Covered Person; and/or (ii) a failure of the duty to cooperate under Section F.2 shall constitute a Corruption Offense for all purposes of the Program.

E. Additional Matters

1. Each Player shall be responsible for any Corruption Offense committed by any Covered Person if such Player either (i) had knowledge of a Corruption Offense and failed to report such knowledge pursuant to the reporting obligations set forth in Section D.2. above or (ii) assisted the commission of a Corruption Offense. In such event, the AHO shall have the right to impose sanctions on the Player to the same extent as if the Player had committed the Corruption Offense.

2. For a Corruption Offense to be committed, it is sufficient that an offer or solicitation was made, regardless of whether any money, benefit or Consideration was actually paid or received.

3. Evidence of a Player's lack of efforts or poor performance during an Event may be offered to support allegations that a Covered Person committed a Corruption Offense, but the absence of such evidence shall not preclude a Covered Person from being sanctioned for a Corruption Offense.

4. A valid defense may be made to a charge of a Corruption Offense if the person alleged to have committed the Corruption Offense (a) promptly reports such conduct to the TIU and (b) demonstrates that such conduct was the result of an honest and reasonable belief that there was a significant threat to the life or safety of such person or any member of such person's family.

F. Investigation and Procedure

1. Anti-Corruption Hearing Officer.

a. The TIB shall appoint one or more independent AHOs, who shall be responsible for (i) determining whether Corruption Offenses have been committed, and (ii) fixing the sanctions for any Corruption Offense found to have been committed.

b. An AHO shall serve a term of two years, which may thereafter be renewed in the discretion of the TIB. If an AHO becomes unable to serve, a new AHO may be appointed for a full two-year term pursuant to this provision.

2. Investigations.

a. The TIU shall have the right to conduct an initial interview and follow-up interviews, if necessary as determined solely by the TIU, with any Covered Person in furtherance of investigating the possibility of a commission of a Corruption Offense.

i. The date and time of all interviews shall be determined by the TIU, giving reasonable allowances for Covered Persons' tournament and travel schedules.

ii. The Covered Person shall have the right to have counsel attend the interview(s).

iii. The interview shall be recorded. The recorded interviews shall be used for transcription and evidentiary purposes and thereafter shall be retained by the TIU for a minimum of 3 years in a secure place.

iv. The Covered Person shall have the right to request an interpreter, and the cost shall be borne by the TIU.

v. Transcripts of the interview shall be provided to the Covered Person, upon request, within a reasonable period of time following the conclusion of the interview.

b. All Covered Persons must cooperate fully with investigations conducted by the TIU including giving evidence at hearings, if requested. No Covered Person shall tamper with or destroy any evidence or other information related to any Corruption Offense.

c. If the TIU believes that a Covered Person may have committed a Corruption Offense, the TIU may make a Demand to any Covered Person to furnish to the TIU any information regarding the alleged Corruption Offense, including, without limitation, (i) records relating to the alleged Corruption Offense (including, without limitation, itemized telephone billing statements, text of SMS messages received and sent, banking statements, Internet service records, computers, hard drives and other electronic information storage devices), and (ii) a written statement setting forth the facts and circumstances with respect to the alleged Corruption Offense. The Covered Person shall furnish such information within seven business days of the making of such Demand, or within such other time as may be set by the TIU. Any information furnished to the TIU shall be (i) kept confidential except when it becomes necessary to disclose such information in furtherance of the prosecution of a Corruption Offense, or when such information is reported to administrative, professional, or judicial authorities pursuant to an investigation or prosecution of non sporting laws or regulations and (ii) used solely for the purposes of the investigation and prosecution of a Corruption Offense.

d. By participating in any Event, or accepting accreditation at any Event, a Covered Person contractually agrees to waive and forfeit any rights, defenses, and privileges provided by any law in any jurisdiction to withhold information requested by the TIU or the AHO. If a Covered Person fails to produce such information, the AHO may rule a Player ineligible to compete, and deny a Covered Person credentials and access to Events, pending compliance with the Demand.

e. If a PTIO concludes that a Corruption Offense may have been committed, the PTIO shall refer the matter and send the evidence to the AHO, and the matter shall proceed to a Hearing before the AHO in accordance with Section G of this Program.

3. Each Covered Person shall be determined to be immediately contactable at the most current postal address provided to a Governing Body. Any Notice delivered hereunder to a Covered Person at such address, shall be deemed to have been received by the Covered Person on date of delivery to such address in the confirmation of delivery provided by the courier service company. At its discretion, as an alternative to or in conjunction with the courier delivery, any other method of secure and confidential communication may be used, including, but not limited to hand delivery, facsimile or e-mail, provided that the burden of proving receipt via such alternative methods shall be on the sending party.

G. Due Process

1. Commencement of Proceedings.

a. When the PTIO refers a matter to the AHO pursuant to Section F.2.e, the PTIO shall send a Notice to each Covered Person alleged to have committed a Corruption Offense, with a copy to the AHO, setting out the following:

- i. the Corruption Offense(s) alleged to have been committed, including the specific Section(s) of this Program alleged to have been infringed;
- ii. the facts upon which such allegations are based;
- iii. the potential sanctions prescribed under this Program for such Corruption Offense(s); and
- iv. the Covered Person's entitlement to have the matter determined by the AHO at a Hearing.

b. The Notice shall also specify that, if the Covered Person wishes to dispute the PTIO's allegations, the Covered Person must submit a written request to the AHO for a Hearing so that it is received as soon as possible, but in any event within fourteen business days of the date of the receipt of Notice as defined in Article F.3.

c. A Covered Person shall direct any response to a Notice to the AHO with a copy to the PTIO and may respond in one of the following ways:

i. To admit the Corruption Offense and accede to the imposition of sanctions, in which case no hearing shall be conducted and the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, which shall be determined by the AHO after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction.

ii. To deny the Corruption Offense and to have the AHO determine the charge, and if the charge is upheld, the sanctions, at a hearing conducted in accordance with Section G.2.

iii. To admit that he or she has committed the Corruption Offense(s) specified in the Notice, but to dispute and/or seek to mitigate the sanctions specified in the Notice. Either a request for hearing or a written submission solely on the issue of the sanction must be submitted simultaneously with the Covered Person's response to the Notice. If a hearing is requested, it shall be conducted in accordance with Section G.2. If no hearing is requested, the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) specified in the Notice and ordering the imposition of sanctions, after giving due consideration to the Covered Person's written submission (if any) and any response submitted by the PTIO.

d. If the Covered Person fails to file a written request for a hearing by the deadline set out in Section G. 1. b, he or she shall be deemed:

to have waived his or her entitlement to a hearing;

to have admitted that he or she has committed the Corruption Offense(s) specified in the Notice;

to have acceded to the potential sanctions specified in the Notice; and,

the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, (after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction).

e. If, for any reason, the AHO is or becomes unwilling or unable to hear the case, then the AHO may request that the TIP appoint a substitute or successor AHO for such matter in accordance with Section F. 1.

f. In the event a Covered Person requests a hearing under Section G.1.c.ii or G.2.c.iii, thereafter, but no more than twenty business days after the date of the Notice or request for Hearing if received, the AHO shall convene a meeting or telephone conference with the PTIO and/or its legal representatives, the Covered Person to whom the Notice was sent and his or her legal representatives (if any), to take jurisdiction formally over the matter and to address any pre-Hearing issues. The non-attendance of the Covered Person or his or her representatives at the meeting, after proper notice of the meeting has been provided, shall not prevent the AHO from proceeding with the meeting in the absence of the Covered Person, whether or not any written submissions are made on behalf of the Covered Person. In the meeting the AHO shall:

i. determine the date(s) (which must be at least twenty business days after the meeting, unless the parties consent to a shorter period) upon which the Hearing shall be held. Subject to the foregoing sentence, the Hearing shall be commenced as soon as practicable after the Notice is sent, and ordinarily within sixty days of the date that the Covered Person requests a Hearing. The Hearing shall be completed expeditiously;

ii. establish dates reasonably in advance of the date of the Hearing at which:

1. the Covered Person shall submit a brief with argument on all issues that he or she wishes to raise at the Hearing;

2. the PTIO shall submit an answering brief, addressing the arguments of the Covered Person and setting out argument on the issues that the PTIO wishes to raise at the Hearing;
 3. the Covered Person may submit a reply brief, responding to the PTIO's answer brief; and
- the Covered Person and the PTIO shall exchange witness lists (with each witness's address, telephone number and a summary of the subject areas of the witness's anticipated testimony) and copies of the exhibits that they intend to introduce at the Hearing; and
- iii. make such order as the AHO shall deem appropriate in relation to the production of relevant documents or other materials between the parties.
- g. The AHO may, at any time prior to issuing a Decision, request that an additional investigation be conducted into any matter reasonably related to the alleged Corruption Offense. If the AHO requests such an additional investigation, the TIU shall conduct the investigation in accordance with the AHO's directions and shall report the findings of that investigation to the AHO and the Covered Person implicated in the alleged Corruption Offense at least ten days prior to the Hearing. If the Covered Person wishes to object to, or raise any issues in connection with, such additional investigation, he or she may do so by written submission to the AHO.
2. Conduct of Hearings.
 - a. Hearings shall be conducted on a confidential basis. Unless the AHO orders otherwise for good cause shown by a party, each Hearing shall take place in either Miami, Florida, USA or London, England, as determined by the AHO.
 - b. The Covered Person shall have the right (i) to be present and to be heard at the Hearing and (ii) to be represented at the Hearing, at his or her expense, by legal counsel. The Covered Person may choose not to appear at the Hearing, but rather to provide a written submission for consideration by the AHO, in which case the AHO shall take such submission into account in making his or her Decision. However, the non-attendance of the Covered Person or his or her representative at the Hearing, after proper notice of the Hearing has been provided, shall not prevent the AHO from proceeding with the Hearing in his or her absence, whether or not any written submissions are made on his or her behalf.
 - c. The procedures followed at the Hearing shall be at the discretion of the AHO, provided that the Hearing shall be conducted in a fair manner with a reasonable opportunity for each party to present evidence (including the right to call and to question witnesses), address the AHO and present his, her or its case.
 - d. The PTIO shall make arrangements to have the Hearing recorded or transcribed at the PTIO's expense. If requested by the Covered Person, the PTIO shall also arrange for an interpreter to attend the Hearing, at the PTIO's expense.
 - e. Witness testimony presented in person or by video conference is acceptable.
 - f. The TIB as well as PTIO members shall be permitted to attend all hearings, in person or by audio or video conference.
 3. Burdens and Standards of Proof.
 - a. The PTIO (which may be represented by legal counsel at the Hearing) shall have the burden of establishing that a Corruption Offense has been committed. The standard of proof shall be whether the PTIO has established the commission of the alleged Corruption Offense by a preponderance of the evidence.

b. Where this Program places the burden of proof upon the Covered Person alleged to have committed a Corruption Offense to rebut a presumption or establish facts or circumstances, the standard of proof shall be by a preponderance of the evidence.

c. The AHO shall not be bound by any jurisdiction's judicial rules governing the admissibility of evidence. Instead, facts relating to a Corruption Offense may be established by any reliable means, as determined in the sole discretion of the AHO.

4. Decisions.

a. Once the parties have made their submissions, the AHO shall determine whether a Corruption Offense has been committed. Where Section H of this Program specifies a range of possible sanctions for the Corruption Offense found to have been committed, the AHO shall also fix the sanction within that range, after considering any submissions on the subject that the parties may wish to make.

b. The AHO shall issue a Decision in writing as soon as possible after the conclusion of the Hearing. Such Decision will be sent to the parties and shall set out and explain:

i. the AHO's findings as to what Corruption Offenses, if any, have been committed;

ii. the sanctions applicable, if any, as a result of such findings; and

iii. the rights of appeal applicable pursuant to Section I of this Program.

c. The TIU shall pay all costs and expenses of the AHO and of staging the Hearing. The AHO shall not have the power to award costs or make any costs order against a Covered Person or the PTIO. Each party shall bear its own costs, legal, expert and otherwise.

d. Subject only to the rights of appeal under Section I of this Program, the AHO's Decision shall be the full, final and complete disposition of the matter and will be binding on all parties. If the AHO determines that a Corruption Offense has been committed, the TIB will publicly report the Decision.

H. Sanctions

1. The penalty for any Corruption Offense shall be determined by the AHO in accordance with the procedures set forth in Section G, and may include:

a. With respect to any Player, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense, (ii) ineligibility for participation in any event organized or sanctioned by any Governing Body for a period of up to three years, and (iii) with respect to any violation of Section D.1, clauses (d)-(j) and Section D.2., ineligibility for participation in any event organized or sanctioned by any Governing Body for a maximum period of permanent ineligibility.

b. With respect to any Related Person or Tournament Support Person, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense; (ii) suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a period of not less than one year, and (iii) with respect to any violation of clauses (c)-(i) of Section D.1., suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a maximum period of permanent revocation of such credentials and access.

c. No Player who has been declared ineligible may, during the period of ineligibility, participate in any capacity in any Event (other than authorized anti-gambling or anti-corruption education or rehabilitation programs) organized or sanctioned by any Governing Body. Without limiting the generality of the foregoing, such Player shall not be given accreditation for, or otherwise granted

access to, any competition or event to which access is controlled by any Governing Body, nor shall the Player be credited with any points for any competition played during the period of ineligibility.

2. The TIU may report information regarding an investigation to the TIB and the PTIOs at any time.

3. The TIB may report Corruption Offenses that also violate non-sporting laws and regulations to the competent administrative, professional or judicial authorities.

4. If any Covered Person commits a Corruption Offense under this program during a period of ineligibility, it shall be treated as a separate Corruption Offense under this Program.

I. Appeals

1. Any Decision (i) that a Corruption Offense has been committed, (ii) that no Corruption Offense has been committed, (iii) imposing sanctions for a Corruption Offense, or (iv) that the AHO lacks jurisdiction to rule on an alleged Corruption Offense or its sanctions, may be appealed exclusively to CAS in accordance with CAS's Code of Sports-Related Arbitration and the special provisions applicable to the Appeal Arbitration Proceedings, by either the Covered Person who is the subject of the Decision being appealed, or the TIB.

2. Any Decision appealed to CAS shall remain in effect while under appeal unless CAS orders otherwise.

3. The deadline for filing an appeal with CAS shall be twenty business days from the date of receipt of the Decision by the appealing party.

4. The decision of CAS shall be final, non-reviewable, non-appealable and enforceable. No claim, arbitration, lawsuit or litigation concerning the dispute shall be brought in any other court or tribunal.

J. Conditions of Reinstatement

1. Once a Covered Person's period of ineligibility or suspension has expired and the Covered Person has paid all fines and/or prize money forfeitures, the Covered Person will become automatically eligible and no application by the Covered Person for reinstatement will be necessary.

2. All fines and/or prize money forfeitures imposed on players hereunder must be paid within thirty (30) days following the later of the receipt of an AHO decision or, if appealed to CAS, the receipt of the CAS decision. If not paid within the prescribed timeframe, the player shall be ineligible for participation in any event organized or sanctioned by any Governing Body until such time as the fine and/or prize money forfeitures have been paid in full. The AHO and the PTIO shall have the discretion to establish an installment plan for payment of any fines and/or prize money forfeitures. For the avoidance of doubt, the schedule of payments pursuant to such plan may extend beyond any period of ineligibility; however, a default in payment under such plan shall automatically trigger a period of ineligibility until such default is cured.

K. General

1. No action may be commenced under this Program against any Covered Person for any Corruption Offense unless such action is commenced within either (i) eight years from the date that the Corruption Offense allegedly occurred or (ii) two years after the discovery of such alleged Corruption Offense, whichever is later.

2. Section headings within this Program are for the purpose of guidance only and do not form part of the Program itself. Nor do they inform or affect the language of the provisions to which they refer.
3. This Program shall be governed in all respects (including, but not limited to, matters concerning the arbitrability of disputes) by the laws of the State of Florida, without reference to conflict of laws principles.
4. In the event any provision of this Program is determined invalid or unenforceable, the remaining provisions shall not be affected. This Program shall not fail because any part of this Program is held invalid.
5. Except as otherwise stated herein, failure to exercise or enforce any right conferred by the Program shall not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement thereof or of any other right on any other occasion.
6. This Program is applicable prospectively to Corruption Offenses occurring on or after the date that this Program becomes effective. Corruption Offenses occurring before the effective date of this Program are governed by the former rules of the Governing Bodies which were applicable on the date that such Corruption Offense occurred.
7. Except as otherwise agreed to by the parties, all filings, Decisions, Hearings and appeals shall be issued or conducted in English.

In addition, if a player has at any time behaved in a

manner severely damaging to the reputation of the sport, he/she may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this section.

The Tennis Europe Manager of Junior Tennis may provisionally suspend such player from further participating on the Tennis Europe Junior Tour pending a final determination. Upon the completion of his investigation the Tennis Europe Manager of Junior Tennis shall determine the innocence or guilt of the player or related person involved, and, in the latter case, shall state in writing the facts as found by him, his conclusions and his decision fixing the penalty to be imposed. A copy of the decision shall be promptly delivered to the player and to the Juniors Committee.

D. Discretionary Review

The ITF Manager of Junior Tennis shall thereafter promptly forward said petition to the Juniors Committee. Said petition shall state in detail the basis for such appeal. Within thirty (30) days thereafter the Juniors Committee shall designate a time and place for the hearing of such appeal and shall so notify the player or related person and the TENNIS EUROPE Manager of Junior Tennis. At such hearing the player or related person and the TENNIS EUROPE Manager of Junior Tennis shall present to the Juniors Committee the relevant evidence on the matter. The Juniors Committee may affirm, reverse, or modify the decision of the TENNIS EUROPE Manager of Junior Tennis on appeal.

If the appeal is decided against the player or related person, then the Juniors Committee shall tax the reasonable costs of the appeal against the player, which costs shall include, but not be limited to, the reasonable travel and living expenses incurred by all witnesses and members of the Juniors Committee with respect thereto, if the same is not at a regular scheduled meeting of the Committee.

APPENDIX 3

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist during the warm-up or the match.

- Treatable Medical Conditions

- o Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warmup or the match that requires immediate medical attention.

- o Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions

- o Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.

- o Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.

- o General player fatigue.

- o Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. The use of supplemental oxygen on-court is not permitted at any time.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court. *

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF/Tennis Europe Supervisor/Referee or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required.

The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor. *

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the ITF/Tennis Europe Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive treatment. There may be a total of two (2) full change of end or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF/Tennis Europe Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF/Tennis Europe Supervisor/Referee for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game. Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist should be called to the court by the Chair Umpire for evaluation and treatment. The

Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF/Tennis Europe Supervisor/Referee may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute. If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) they are unable to compete, or they pose a serious health risk to players, officials or competition organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Doctor to advise the ITF/Tennis Europe Supervisor/Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such report from the Doctor, the ITF/Tennis Europe Supervisor/Referee will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The ITF/Tennis Europe Supervisor/Referee shall use great discretion before taking this action, and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Doctor may inform the accordingly. At the discretion of the , the player may subsequently compete in another event at the same tournament, (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS AND LIGHTNING

Definitions Extreme Heat Condition: Modification of Play Extreme Weather Conditions shall be defined as when the Heat Stress Index (Wet Bulb Globe Temperature (WBGT) Index) meets or exceeds 30.1°C/86.2°F. If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

Condition: Suspension of Play criterion exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the ITF/Tennis Europe Supervisor/Referee or his/her designee. Ideally, measurements should be taken every two (2) hours, but a minimum three (3) readings should be taken at the following times: i. 30 minutes before match play begins; ii. Middle of the scheduled day's play; and iii. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index also should be measured under the following circumstances: (a) Following any suspension of play; and (b) At the discretion of the ITF/Tennis Europe Supervisor/Referee, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the ITF Guide to Recommended Health Care Standards for Tennis Tournaments.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition – Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the ITF Supervisor has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles & Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 sets match) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10minute break will no longer be available, unless otherwise decided by the ITF/Tennis Europe Supervisor/Referee.

The ITF/Tennis Europe Supervisor/Referee, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

Sports Physiotherapist. i. During the 10-minute break:

a. No coaching is allowed.

b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the ITF/Tennis Europe Supervisor/Referee. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.

ii. Immediately following the 10-minute break:

a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).

b. No re-warm up is allowed.

c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the ITF/Tennis Europe Supervisor/Referee.

iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the ITF/Tennis Europe Supervisor/Referee should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the ITF Supervisor has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

f. Lightning

The ITF/Tennis Europe Supervisor/Referee or his/her designee is responsible for monitoring the local weather for lightning. The ITF/Tennis Europe Supervisor/Referee has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the ITF Guide to Recommended Health Care Standards for Tennis Tournaments.

TOILET/CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break/change of attire break (girls' matches). Toilet breaks/change of attire breaks must be taken on a set break.

In girls' singles matches a player is entitled to two (2) breaks during a match.

In boys' singles matches a player is entitled to one (1) toilet break during a match.

In all doubles matches, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one of the team's authorised breaks. These breaks may be taken for toilet visits, change of attire (girls' matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks.

Toilet breaks not taken on a set break will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

The Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Referee as gamesmanship and/or flagrant abuse of the Rules. A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Referee.

A player may change her attire during a toilet break. Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

ITF TENNIS ANTI - DOPING PROGRAMME

MEDICAL CONTROL

National Associations entering the Competition and those players nominated to compete on their behalf agree, as a condition of entry, to the ITF ANTI-Doping Programme. The ITF Tennis Anti-Doping Programme 2018 is set out in full on the ITF website (www.itftennis.com) and in a separate rulebook that is published and distributed by the ITF to all National Associations.
