Disclaimer

National Associations and Competitors are advised that the information given in this Rulebook may be altered and/or amended subsequent to publication. Tennis Europe cannot be held responsible for any changes made after the Regulations have been published.

Mission Statement

The Tennis Europe Junior Tour is owned and managed by Tennis Europe and consists of individual tournaments held in its 50 member nations, divided into the three different age categories (12&U, 14&U, 16&U) and open to boys and girls from all over the world.

The aim of the Tour is to promote and develop Junior Tennis within Europe, offering international tournaments of various levels, as well as special team events. 14&U and 16&U players benefit from the Tennis Europe Rankings system, while the Tour also strives to prepare players for their progression to other tours, providing formative educational, cultural and sporting experiences essential to the development of the modern tennis player.

2. Tournaments, Applications and Sanctioning

Definition of a Tournament

The Tennis Europe Junior Tour consists of individual junior tournaments for the Age Groups 16&Under (16&U), 14&Under (14&U) and 12&Under (12&U), organised in any of the Tennis Europe Member Nations.

Tournaments may include Events in one or more Age Groups.

In each Age Group the following Events must be organised:

- Boys Singles

Tournament organisations

The tournaments may be organised by National Associations, affiliated clubs or other organisers and must be approved by the applicable National Association. Only Tennis Europe Member Nations may apply for a tournament to be included in the Tennis Europe Junior Tour.

Tournament applications

In supplying an application the National Association confirms that the conditions for the organisation of the tournament will be satisfactorily and undertakes to ensure that the conditions continue to meet the requirements until the tournament is satisfactorily completed. This includes not only that the tournament follows all applicable rules and has the staff and infrastructure to reasonably complete the event, but also to confirm that the Referee of the tournament has the required qualification to officiate at the event, including the ability to converse in English.

National Associations shall ensure that the tournaments they sanction for inclusion in the Tennis Europe Junior Tour maintain appropriately high standards of organisation and administration. This includes, but is not limited to, having in place and maintaining appropriate policies and procedures in respect of child welfare and safeguarding and ensuring that the tournaments they sanction comply with such policies and with the Tennis Europe Junior Tour Organisational Requirements (as may be amended from time to time).

The tournament organiser is required to have adequate insurance cover for the event. The applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable.

The National Association also guarantees that the applicable sanction fees are paid within the given deadlines once the tournament has been approved for inclusion in the calendar.

Applications must include the following:

Health, Safety and Security

The health, safety and security of all persons involved in the tournament, including players, officials, tournament staff and spectators, are of principal importance. The National Association is responsible for ensuring a sufficient plan for the protection of all involved persons against any such problems is in place and implemented for the tournament.

The National Association, in association with the Tournament Director, must make Tennis Europe aware immediately of any major issues or threats (e.g. political unrest, health epidemic, natural disaster) that could impact the progress of the tournament or the health, safety or security of persons involved, whether they occur in advance of or during the tournament.

Tennis Europe reserves the right to refuse approval of or to cancel any previously sanctioned tournament or series of tournaments at any time on the grounds of health, safety, security or any other potential threat to any persons attending or due to attend the tournament(s) or to the successful running of the tournament(s), without any liability on behalf of the Applicant, National Association, Tournament Organiser or Tennis Europe (for the avoidance of doubt, Tennis Europe, the Applicant, National Association and/or the Tournament/Host Organiser will not be liable to any Players or any other persons or entities for any costs that they might have incurred in relation to such cancelled Competitions, including, without limitation, any transport and/or accommodation costs). This decision will be made on behalf of Tennis Europe by the Tennis Europe Juniors Committee or its nominee.

3. Tour Structure

Categories

Tournaments are rated in Categories according to past and present strength of the player field and organisational standards. For guidelines about Tournament Ratings see the regulations below and the Appendix.

The 16 & Under Tennis Europe Junior Tour is divided into the Categories 1, 2, and 3.

- Category 1: Top level events, including the European Junior Championships and Tennis Europe Junior Masters.
- Category 2: Established events of proven quality and level of entries, and the ITF/Tennis Europe Development Championships 14&Under.
- Category 3: First time and Player entry level events.

The 14 & Under Tennis Europe Junior Tour is divided into the Super Category and the Categories 1, 2, and 3.

- Super Category: extraordinary category for an elite group of tournaments
- Category 1: Top level events, including the European Junior Championships and Tennis Europe Junior Masters.
- Category 2: Established events of proven quality and level of entries, and the ITF/Tennis Europe Development Championships 14&Under.
- Category 3: First time and Player entry level events.

The 12 & Under Tennis Europe Junior Tour is divided into the Categories 1 and 2.

- Category 1: Top level events
- Category 2: Established events of proven quality and level of entries. First time and Player entry level events.

Each Age Group including the Boys and Girls events in a tournament is assigned a Category. There may be one or more Categories in a Tournament.

Tennis Europe will rate all events on an annual basis and this rating forms part of the criteria when assigning the Category of an event based on the Tournament application.

Each Member Nation may annually organise a limited number of events in each Age Group and each Category depending on their Membership status. Up to this limit, only one tournament per age group may be added each year.

The weekly number of events of each category in Europe is also limited. New tournaments being held for the first time are assigned Category 3 for the 14/16 & Under and Category 2 for the 12 & Under status.

The Tennis Europe Junior Committee will for each calendar year decide how many events of each Category and Age Group to be allowed in one Tournament week.
For 2020 the maximum number of events in each Age Group in a Nation is:

4. Tournament Ratings

Tournaments on the Tennis Europe Junior Tour of the past 52 weeks are rated yearly January – December.

Following applications, tournaments are classified in order to determine if the tournament or certain events shall be sanctioned by Tennis Europe for inclusion on the Tour or not. If sanctioned the Ratings and the records of how the tournament was previously organised (if applicable) will be used to determine the Category of the events and/or if events will be promoted to a higher or demoted to lower Category.
The details of the Tournament Rating criteria are found in an Appendix to the Regulations.

There are two IPIN fees depending on the membership level:

- **For 2020** the Junior IPIN fee is USD 40 and allows the player to play on the ITF Junior Circuit and the Tennis Europe Junior Tour (subject to fulfilling the age criteria).

- Players may choose to pay the Pro IPIN fee of USD 65 (or at any time upgrade their Junior IPIN membership to the Pro membership by paying the difference to ITF). The Pro IPIN membership allows the player to also enter/compete the ITF Pro Circuit events (subject to fulfilling the age criteria) in addition to the ITF and European Junior events.

Players will not be allowed to enter/compete in an event until the IPIN registration is complete. Neither will a player be allowed to sign-in as an On-site Alternate or play as a Wild Card without having registered for an IPIN and paid the yearly IPIN fee.
Age restrictions and eligibility

A player’s nationality for the Tennis Europe Junior Tour and the Tennis Europe Junior/Race to Masters Rankings is determined at registration for IPIN by the Nationality on a player’s passport. Tennis Europe may request from the player at any time a copy of their current, valid passport as proof of nationality.

16&Under:

Players are allowed to play in a 16&Under event from the year they turn 13 years of age until the year the players turns 16 years of age.

For 2020 this means players must be born between 1 January 2004 and 31 December 2007.

Players who are allowed to compete in 12&Under events are not allowed to play in an 16&Under event.

14&Under:

Players are eligible to compete in tournaments for players aged 14 and under in the year they turn 11 years of age, and have reached their 11th birthday on or before the start of the Singles Main Draw, until the year the player turns 14 years of age, but participation in such tournaments will count towards the maximum of ten events permitted;

For 2020 this means players born between 1 January 2006 and 31 December 2009 and have reached age of 11 by the first day of Singles Main Draw.

Players eligible to compete in 12 and under Competitions may also compete in tournaments for 14 and under sanctioned by the ITF, or by a Regional Association or by the USTA and Tennis Canada but participation in such tournaments will count towards the maximum of ten events permitted.

12&Under:

Players are allowed to play in a 12&Under event from the year they turn 10 years of age*, and have reached their 10th birthday on or before the start of the Singles Main Draw, until the year the players turns 12 years of age.

For 2020 this means players born between 1 January 2008 and 31 December 2010 and have reached age of 10 by the first day of Singles Main Draw.

In any calendar year players must only compete in a maximum of ten tournaments (including the ITF/Tennis Europe Development Championships events and excluding the Tennis Europe Team Events) for 12 and under sanctioned by the ITF, or by a Regional Association or by the USTA and Tennis Canada.

If a player reaches his/her 10th tournament the player shall not be allowed to enter any more tournaments and will be removed from any Entry/Acceptance lists and must not be accepted as an On-site Alternate or Wild Card until the player is again allowed to play.

A player who violates this rule will forfeit all starting points won in all events at that tournament and be subject to the penalties set forth in X. Suspension Points.
National approval

All players entering the Tennis Europe Junior Tour must be a member of their national tennis Association and must be in “good standing” with their national associations.

Players fulfilling the above criteria may enter themselves to the Tennis Europe Junior Tour without further approval of the National Association, except for the European Junior Championship, Tennis Europe Junior Masters, or ITF/Tennis Europe Development Championships, where the National Associations submits the entries.

If a player is not in good standing with the National Association or is temporarily suspended, the National Association may contact the Tennis Europe Junior department to request to block the player concerned from entering/participating tournaments. The decision of the National Association will also be applied to the Tennis Europe Junior Tour.

(i) there will be no compensation payable in relation to the grant of such rights; and

**Player Images**

It is prohibited for any Tournament Visitor to obtain, transmit, store or distribute any images and/or recordings (whether audio or visual) of players, unless they are the parent or legal guardian of the player, without the express written authorisation (which includes permission about how the image(s) will be used) of the parent or legal guardian of the player, or Tennis Europe Referee. **ITF Development Teams Acceptances (TA/OA)**
Members of ITF Development Teams as accepted to the Singles Main Draw at select events. Advance notice is given to the Organisers. Selections of players for these positions are made by Tennis Europe in consultation with the ITF. If there are more applications than Special Exempt positions available players are by drawn by lot with first priority for players still in Singles, thereafter Doubles (the National Ranking is not considered).

If too many players apply for the available positions, those not selected may not play in the Qualifying event, and will not be penalised as a Late Withdrawal or No Show.

On-Site Alternates (OSA)

On-site Alternates are non-entered players who appear on-site in person to sign-in for possible unused positions in the Qualifying Draw.
8. Singles Entry and selection procedures

Entry procedures and Entry Deadline

Tennis Europe Junior Tour events

The Tennis Europe Junior Tour events, except for the European Junior Championships, Tennis Europe Junior Masters and ITF/Tennis Europe Development Championships 14&Under, are open for players from all countries affiliated to ITF, provided they fulfil the IPIN and Age Eligibility rules as set out above.

If a National Association and/or Tournament Organiser so wishes, they may send invitations to National Associations. Invitations shall be open, and not for named players. Under no circumstances may invitations be sent directly to players. Should organisers receive entries they should if possible direct the players to the proper entry process.

Entry process

Singles entries are made online at www.tenniseurope.org or for players who cannot use the online facility, by email using the official entry form to juniors@tenniseurope.org. It is the responsibility of the sender to ensure that the entry has been received.

Players cannot enter directly to the tournament organisers.

For each Tournament week, 14/16 & Under players may enter in a maximum of three (3) tournaments. However, players may only enter in one Age Group in each tournament.

Players eligible to play 12&Under events can enter one (1) event in a 12 & Under Category 2 and one (1) 12 & Under Category 1 or 14 & Under.

Players entering more than one tournament must indicate his/hers priority when submitting the entry.

A player applying for entry shall be deemed to apply for entry into Main Draw or Qualifying of the Tournament (no ‘Main Draw Only’ entries allowed).

If a player fails to indicate a priority, Tennis Europe will assign a priority in the following order: The actual Age Group of the player, followed by the higher Category of the events, and finally by a draw.

The Entry Deadline is at 14.00 GMT on the Tuesday 27 days prior to the Tournament week.

European Junior Championships

All Tennis Europe Member Nations may nominate two (2) Boys and two (2) Girls in each of the Age Groups 18&Under, 16&Under and 14&Under, provided that the players fulfil the IPIN and Age Eligibility Rules as set out above. Entries are made directly by the National Association to Tennis Europe (Fax Number +41-61-3317253). The Entry Deadline will be communicated to the Member Nations separately. Only players representing Tennis Europe Member Nations may take part.
Players may only participate in the Championships of their age group, with the exception that players in the 12&Under age group may compete in the 14&Under event whilst respecting the ITF Age Eligibility Rule. Players having won a title of a Tennis Europe Junior Championship the previous year, may – on request of his/her National Association – be authorised by Tennis Europe to compete in a higher age group event.

The size of the Singles Draws are normally for 96 players, which can be extended to 128 depending on conditions as decided by the Tennis Europe Junior Committee. There is no Qualifying event.

Only players entered into the Singles event may play in the Doubles event. If a Nation has two players entered in the same age group Singles event, these two players must form a Doubles team (if playing). Players without Doubles partners from the same National Association, may sign-in for Doubles, and have a partner assigned by lot. Players not signing in for Doubles, or who are without Doubles partner after such draw, shall not take part in the Doubles event. Teams formed of players from different National Association will not contribute to the Nations’ Ranking.

The Tennis Europe Junior Championships follow the same regulations as for the Tennis Europe Junior Tour where applicable.

**Tennis Europe Junior Masters**

Players qualified for the Tennis Europe Junior Masters events will be invited through their National Association to participate. The National Association must reconfirm the participation of the player(s) on or before a date which will be communicated to the National Associations concerned separately. Only players representing Tennis Europe Member Nations may take part.

**Selections for the Tennis Europe Junior Masters**

The selections for the Masters events are based on a “Race” within the Age Group. Qualified players are:

16&Under

- The winner and runner-up of the 16&Under European Junior Championships
- The remaining six (6) players (and Alternates if required) based on the six (6) best achievements in the 16&Under Tennis Europe Junior Tour, including the European Junior Championships, plus the best two results of the European Team Championships (Winter & Summer Cups) following the preceding Masters event until 14 days before the start of the event, using the point allocations of the Tennis Europe Junior Ranking system for 16&Under.
- Players eligible to play in the 12&Under events, are not eligible to play in the 14&Under Masters.

14&Under

- The winner and runner-up of the 14&Under European Junior Championships

Players eligible to play in the 12&Under events, are not eligible to play in the 14&Under Masters.

If players are tied on points according to the selection system for the Masters events, the tiebreaking procedure shall be:

The events are played to position all players using successive elimination draws.

The Tennis Europe Junior Championships follow the same regulations as for the Tennis Europe Junior Tour where applicable.

**ITF/Tennis Europe Development Championships 14&Under**

The ITF/Tennis Europe Development Championships 14&Under is an event for the developing countries of Europe, where players are invited to play based on applications received from National Associations.

Selection process

Provisional list

For 16&Under and 14&Under events

Following the Entry Deadline, all entered players are listed in ranking order according to the Tennis Europe Junior Ranking for the applicable Age Group using the latest Ranking list at the time of the Entry Deadline, normally the rankings dated 28 days prior to the Tournament week (i.e. 14&Under players entering a 16&Under Doubles event will use their 16&Under ranking).

Players without a Tennis Europe Junior Ranking will be positioned based on their National Ranking for the applicable age group (if submitted by the National Association). Unranked players will be listed by nation and alphabetically within the nation.

For 12&Under events

Following the Entry Deadline, all entered players will be positioned by nation, and within their nation by the National Ranking 12 & Under (if submitted by the National Association) and alphabetically within the nation.

National Window

During a ‘National Window’, from Wednesday 04.00 GMT on the day after the Entry Deadline until Thursday 24.00 GMT two days after the Entry Deadline the National Associations have the opportunity to nominate online at www.tenniseurope.org (login details to be provided by Tennis Europe):

- A National Squad for each Age Group consisting of 1-2 boys and/or 1-2 girls and a National Coach/accompanying person. Nomination of a National Squad is for the guidance of the Tournament Organisers in their selection of Organiser Acceptances (OA), and for the hospitality requirements for tournaments offering hospitality. It is mandatory that a National Coach/accompanying person is named at this time and will travel with the squad if accepted to the event.

  The National Association of the country organising the event may nominate up to two (2) National Squads to an event with a 32 player Singles Main Draw, three (3) squads for a 48 draw and 4 squads for a 64 draw, with one (1) National Coach/accompanying person.

- Sort all 12&Under entries, and any 16&Under and 14& Under players without Tennis Europe Junior Ranking, for selection purposes. Such ordering should primarily be based on National Rankings and can also take other factors into consideration.

Should a player nominated for a National Squad have to withdraw after the ‘National Window’ has closed, the National Association may nominate another player to take up this position. Such change is for hospitality reasons only and does not affect the acceptance status of the player. Similarly the nominated National Coach/accompanying person may be substituted. Such change(s) must be made online by the National Association before the Freeze Deadline. Changes submitted after the Freeze Deadline may be rejected by the organiser or Tennis Europe.
If a Nation doesn’t nominate a National Squad or order non-ranked players by the end of the National Window, the entered players will be considered with the data available at the Entry Deadline.
**Organiser Window**

During an ‘Organiser Window’, from Friday 04.00 GMT three days after the Entry Deadline until Sunday 24.00 GMT five days after the Entry Deadline the Tournament Organisers have the opportunity to nominate online at [www.tenniseurope.org](http://www.tenniseurope.org) (login details to be provided by the National Association of the Organiser):

**14&Under and 16&Under tournaments – Category 1 and 2 and Super Category only**

- Organiser Acceptances (OA) for the Singles Main Draw among the entered players not already accepted by virtue of their ranking. The number of Organiser Acceptances for each draw size is shown in the table below.

Tennis Europe *strongly recommends* the Organisers to use the following selection criteria:

- Domestic Organiser Acceptances must not exceed 50% of the positions available if there is a sufficient number of foreign entries to choose from;
- Always select players nominated for National Squads ahead of other players from the same country;
- Select Boys/Girls so that both players of the National Squad are accepted together;
- Select all players nominated for a National Squad (Boys and Girls);
- Unranked players not nominated for National Squads to be selected in the order given by the National Association.

**14&Under and 16&Under tournaments – Category 3 only**

Organiser Acceptances (OA) for the Singles Main Draw among the entered players not already accepted by virtue of their ranking. The number of Organiser Acceptances for each draw size is shown in the table below.

Tennis Europe Organisers must use the following selection criteria by this order:

- 16 draw: RA+OA = 3 players
- 24 draw: RA+OA = 5 players
- 32 draw: RA+OA = 6 players
- 48 draw: RA+OA = 9 players
- 64 draw: RA+OA = 14 players

Any Wild Cards are in addition to this.
Always select players nominated for National Squads ahead of other players

Select Boys/Girls so that both players of the National Squad are accepted together;

Select all players nominated for a National Squad (Boys and Girls);

Other entered players not nominated for National Squads.

Unranked players to be selected in the order given by the National Association

OA substitution - 14&Under and 16&Under tournaments – Category 1, 2 and 3 and 14 & Under Super Category

Organisers may nominate up to twice the number of players for Organiser Acceptance positions shown in the table below. Should one of the nominated players move into the Main Draw before the Withdrawal Deadline by virtue of his/her ranking, the next Organiser Acceptance nominated will take the vacant position.

Failure to nominate Organiser Acceptances by the end of the Organisers Window will result in these positions being given to ranking acceptances.

In tournaments with ITF / Tennis Europe Travelling Teams, additional instructions will be given by Tennis Europe.

Sufficient reserve OA positions must be added for replacements in case of withdrawals until the withdrawal deadline.

Substitutions before the Withdrawal deadline

- If a foreign player withdraws from the time the Acceptance List become public until the withdrawal deadline, the ‘next in’ foreign player (if available) will take this place.

**Publication of Entry and Acceptance lists**

Following the Organiser Window players will appear on Entry or Acceptance list on the Tennis Europe Junior Tour website.

Between the end of the Organiser Window and the Withdrawal Deadline, there is a preliminary Entry List showing all entered players for all events entered, sectioned to Main Draw, Qualifying and Alternate lists. Players are advised to check the lists during this period to make sure their entries have been received, and notify Tennis Europe if there seem to be an error. To be considered, any complaint must reach Tennis Europe before the Withdrawal deadline. Until the Withdrawal deadline the lists may be modified up or down, if errors in the entry process have been confirmed by Tennis Europe and requires correction of the lists. Complaints about entry errors after the Withdrawal deadline will not be considered.

**Publication of entry lists until 15.00 hrs GMT**

The Singles Acceptance Lists (Main Draw, Qualifying and Alternates) are published on www.tenniseurope.org on the Monday 21 days the latest by 15.00 hrs GMT before the Tournament week.

After the Withdrawal deadline, the lists turn from Entry to Acceptance lists.

The lists are updated according to the following:
• Primarily, ranked players are sorted in ranking order according to the Tennis Europe Junior Ranking for the applicable Age Group dated approximately 28 days prior to the Tournament week, according to the numbers indicated in the tables above. Tied players (with the same number of ranking points) will be randomised by the entry system (the order may be different for each event each player has entered in a tournament week).

• Secondly, unranked players will be drawn into positions, within their country keeping the order given by their National Association during the National Window.

  o If players without a Tennis Europe Junior Ranking are not given an order by their National Association, the unranked players will be drawn at random and positioned last among players from their country.

  o If a National Association does not order any of their players, these players will be drawn at random among all entered, non-ranked players.

• Whilst keeping their order as above, Organiser Acceptances are indicated in the Main Draw Acceptance list, according to the numbers in the tables above, in the order given by the Tournament Organiser. Additional Organiser Acceptances are held in a waiting list to move into the Main Draw should vacancies occur (see below). For 12&Under events with a Qualifying draw, all entries are given OA positions.

• Any Wild Cards given to entered players are also indicated in the list, whilst keeping their order in the list according to the above.

The Singles Acceptance Lists (Main Draw, Qualifying and Alternates) are published on www.tenniseurope.org on the Monday 21 days before the Tournament week. Entry and Acceptance lists are not available publicly during the entry process, National or Organiser Windows.

**Administrative error on an Acceptance list**

If an administrative error is made on an Acceptance list and too many players are accepted, arrive on site and sign-in to play the event, the last two (2) players accepted into the tournament based upon the most current updated entry list will play a preliminary match for one (1) position in the draw.
9. Singles Withdrawals and replacement procedures

Withdrawal procedures

Players withdrawing from an event prior to the Freeze Deadline on the Thursday 4 days before the Tournament week must do so using the online system at www.tenniseurope.org or for players who cannot use the online facility, by email using the official withdrawal form to juniors@tenniseurope.org. It is the responsibility of the sender to ensure that the withdrawal has been received.

Withdrawals by telephone are not accepted.

Any withdrawal from a player accepted into main draw or qualifying that occurs after the Withdrawal Deadline will be considered a Late Withdrawal. A player’s first three (3) late withdrawal offences within a calendar year will be excused and the player will not be penalised, provided the withdrawal is received by Tennis Europe online or by email to juniors@tenniseurope.org prior to the Qualifying sign-in deadline. If the withdrawal is emailed after the Freeze Deadline it must be sent both directly to the tournament organisers using the email address indicated on the Fact Sheet, and also copied to Tennis Europe. It is not necessary to provide a medical certificate in case of a Late Withdrawal and On-site Medical Certificates issued after the player has been eliminated from the tournament will not be taken into consideration for any excuses for Late Withdrawals into the following week’s event.

Players on the Alternate list may withdraw at any time without penalty as long as they have not been moved into a Qualifying or Main Draw Acceptance list.

Players may not compete in a Tennis Europe Junior Tour tournament if he/she has competed in another tennis event in the same tournament week.

For withdrawals after the Qualifying Sign-in deadline special conditions apply. See the Code of Conduct for details.

Withdrawals sent to Tennis Europe after the Freeze Deadline are not considered valid unless also sent to the Tournament Organisers.

Until the Withdrawal Deadline

Players may withdraw without incurring a penalty until the Withdrawal Deadline at 14.00 GMT on the Tuesday 13 days prior to the Tournament week.

Following withdrawals, the Acceptance lists will be updated and players will move up accordingly to fill the vacated positions:

- Ranked players will move up the Acceptance lists in ranking order.
- Unranked players will move up the Acceptance lists in the order established as above.
- Organiser Acceptances moving into the Main Draw Acceptance list on by virtue of their own ranking or established position will open up the Organiser Acceptance position which will be taken by the next player on the Organiser Acceptance waiting list.

- Pre-nominated Wild Cards moving into the Main Draw or Qualifying Acceptance list on by virtue of their own ranking or established position will open up a Main Draw or Qualifying Wild Card position. The Tournament Organiser may nominate another player for such position at any time until the Singles Qualifying draw is made.

Players accepted to more than one Main Draw or Qualifying Acceptance list are recommended to make a choice of tournament before the Withdrawal Deadline, at which time they will be removed for all but one Acceptance list according to a combination of their position in the Acceptance lists, and the priority given in their entry or assigned by Tennis Europe.

**Between the Withdrawal Deadline and the Freeze Deadline**

There is a Freeze Deadline at 14.00 GMT on the Thursday 4 days prior to the Tournament week.

After the Withdrawal deadline a player may appear on one (1) Singles Main Draw or Qualifying Acceptance list only. If the player has not withdrawn him/herself by the Withdrawal Deadline and appear on more than one Acceptance list, the player will be automatically withdrawn from all but one Acceptance list according to a combination of their position in the Acceptance lists, and the priority given in their entry or assigned by Tennis Europe.

Following the Withdrawal Deadline for the 14 & 16 & under, players on the Organiser Acceptance waiting list will no longer move to take up vacant positions and the players on such list will remain in their ranking order or established sequence only.

Players accepted to a Main Draw or Qualifying Acceptance list at the Withdrawal Deadline are committed to play at the event. Players who withdraw after the Withdrawal Deadline are subject to suspension penalties (see below).

Players not accepted to a Main Draw or Qualifying Acceptance list may stay on multiple Alternates lists and withdraw until the player moves in to a Qualifying Acceptance list, at which time he/she will be automatically withdrawn from all other tournaments.

**Between the Freeze Deadline and the Qualifying Sign-in Deadline**

Withdrawal after the Freeze Deadline can be made online at [www.tenniseurope.org](http://www.tenniseurope.org) or for players who cannot use the online facility, by email using the official withdrawal form to juniors@tenniseurope.org. If the withdrawal is emailed it must also be sent directly to the tournament organisers using the email address indicated on the Fact Sheet.

If, at the Freeze Deadline, the total number of entered players on the Main Draw and Qualifying Acceptance lists of an event is less than or equal to the Main Draw size (all positions including DA, SE, Q, but not WC) then there shall be no Qualifying event, and all Qualifying Acceptances and pre-nominated, entered Wild Cards shall be moved to the Main Draw Acceptance list as Direct Acceptances. Any un-used Qualifying Wild Card positions are void. There shall be no Qualifying Sign-
in. On-site Alternates may sign-in on or before the time announced for the Main Draw Sign-in in order to take any vacant positions at this time.

NB! Any cancellation of the Qualifying event and sign-in is for the specific event only (Boys and/or Girls of an age group as the case may be) and will be indicated in the numbers at the top of the Acceptance list for the event(s) shortly after the Freeze Deadline. An email will be sent to the players who were on the Qualifying Acceptance List. The Tournament Director must be on-site at the originally announced sign-in deadline to take care of any issues that may arise.

Following the Freeze Deadline, players will no longer move from the Qualifying to the Main Draw Acceptance list or from the Alternates List to the Qualifying Acceptance list. Players still on Alternate lists are no longer committed to sign-in and play, but will keep their sequence on the list should the select to sign-in.

Main Draw and Qualifying Vacancies created between the Freeze Deadline and the Singles Qualifying Sign-in Deadline are filled at the Sign-in Deadline by the players who have signed-in according to the established order on the Acceptance lists. For sign-in requirements, see below.

Players on the Qualifying Acceptance list who fail to sign-in are subject to No-show suspension penalties (see below).

**Between the Qualifying Sign-in Deadline and start of Qualifying**

Main Draw vacancies created between the Qualifying Sign-in Deadline but before the first point is struck in the Qualifying draw, are replaced by players who have signed-in according to the established order on the Acceptance lists (not seed-order). Such players are then removed from the Qualifying draw.

Qualifying vacancies created between the Qualifying Sign-in Deadline but before the first point is struck in the Qualifying draw, are replaced by players who have signed the Alternates sign-in list which is open until 30 minutes before the scheduled start of play in the event on the first day of Qualifying. The sign-in list must open at least 30 minutes before. If such player is replacing a previously seeded player in the Qualifying draw, the other seed positions remain unaffected.

Main Draw Acceptances or players in the Qualifying draw who withdraw after the Qualifying Sign-in Deadline are subject to suspension penalties (see below).

**From the start of the Qualifying Draw until the Singles Main Draw is made**

Main Draw vacancies created after the start of the Qualifying event but before the Main Draw Sign-in Deadline, are replaced by players who have played and lost in the Qualifying event (Lucky Losers). The order of Lucky Losers is established as described below.

Qualifying vacancies created after the first point is struck in the Qualifying draw, are replaced by players who have signed the Alternates sign-in list which is open until 30 minutes before start of play each day until all players have started their first Qualifying match. If such player is replacing a previously seeded player in the Qualifying draw, the other seed positions remain unaffected.
Once called, an Alternate must be ready to play within five (5) minutes. If an Alternate is called to play but is not ready within five (5) minutes, the player will be moved to the bottom of the Alternate list for that, but will keep his/her original position on the list any for further days.

Main Draw Acceptances who withdraw between the Qualifying Sign-in Deadline and Singles Main Draw Sign-in Deadline are subject to suspension penalties (see below). Players who do not show for their match in the Qualifying event are subject to No-show or Punctuality suspension points (see below).

**From the Singles Main Draw Sign-in Deadline**

Main Draw vacancies created after the Singles Main Draw Sign-in Deadline are replaced by players who have signed the Lucky Losers’ sign-in list open until 30 minutes before start of play on each day until all players have started their first Main Draw match. If such player is replacing a previously seeded player in the Main Draw, the other seed positions remain unaffected.

The order of Lucky Losers remains the same as established below.

Players who do not show for their match in the Main Draw event are subject to No-show or Punctuality suspension points (see below).

**Events without a Qualifying Draw**

For events without a Qualifying Draw, e.g. some 12&Under or the European Junior Championships, vacancies at the time of the Singles Sign-in Deadline are filled with signed-in players in the established sequence on the Alternate list or by On-site Alternates (see below).

Vacancies are replaced by players who have signed the Alternates sign-in list open until 30 minutes before start of play on each day until all players have started their first Singles match.
10. Singles Qualifying Sign-in and selection process

Qualifying Sign-in

Players who appear on the Singles Qualifying Acceptance list at the time of the Freeze Deadline are committed to play in the Qualifying event and to sign-in in person with the Referee before 18.00 hours local time on the day before start of the Qualifying event (BS16, GS16, BS14, GS14, as applicable). The Qualifying sign-in Deadline shall open at least two (2) hours earlier.

Players on the Alternate list and On-site Alternates may also sign-in.

Players are required to produce his/hers Passport or National ID to verify their Date of Birth and Nationality.

Exceptions for signing-in on-site in person.

Coaches cannot sign-in for a player, neither on-site or by phone.

Players must sign-in on-site in person except as follows:

- Entered players who appear on the Singles Qualifying Acceptance list and have lost in the previous week’s tournament on the ITF Pro Circuit, ITF Junior Circuit, Tennis Europe Junior Tour or a national competition (if requested by the relevant National Association and approved by Tennis Europe at least two weeks in advance), on the day of the Singles Qualifying Sign-on or one day earlier may be signed-in by the Qualifying Sign-in Deadline through the Referee of the previous week’s tournament, who must verify the schedule of the player. The player must be able to be on-site and play his/her first round match by the end of the first round of Qualifying of that event.

- Players who appear on the Singles Qualifying Acceptance list may sign-in on-time by telephone to the Referee to preserve eligibility for known vacant positions in the Singles Main Draw (e.g. following confirmed withdrawals after the Freeze Deadline, or known unused SE positions). Such players will be moved into the Main Draw list following their sequence on the Qualifying Acceptance list. NB! Should such position not become available the player may not play in the Qualifying event and is subject to No-show suspension points.

- Players travelling as part of a National Squad for the previous tournament week, may – on request of the National Coach - be signed-in by the Referee of the previous week’s tournament, if any other member of the squad is still competing in that tournament in the two days preceding the start of the Qualifying event.

Special Exempts – Applicable also for 12&Under events with qualifying draws

Entered players who appear on the Singles Qualifying Acceptance list and are still playing in a “qualified event” at the first day of Singles Qualifying may apply for a Special Exempt status. To be eligible for the Special Exempt status the player must sign-in by the Qualifying Sign-in Deadline through the Referee at his/hers current tournament, who must verify the schedule of the player.

Depending on the size of the Main Draw, 1-2 positions are set aside for potential Special Exempts. If there are more applications than Special Exempt positions available, players are accepted by first
priority for players still in Singles, thereafter for players still in Doubles using the Tennis Europe Junior Ranking issued 7 days prior to the Tournament Monday.

If too many players apply for the available positions, those not selected may not play in the Qualifying event, and will not be penalised as a Late Withdrawal or No Show.

If a player is still playing his/her match at the time of the sign-in deadline, and the player may be able to apply for a Special Exempt position should he/she win the match, then the Special Exempt position must be kept open until the match is finished and the outcome is determined. Should the player not be eligible for the Special Exempt position, then the vacant position will be taken by the next player on the Acceptance list who signed-in (moving from the Qualifying draw), and the position so vacated shall be filled with then next Alternate who signed in. N.B.: The “next player on the Acceptance list” is not necessarily the highest seeded player in the draw.

If a Special Exempt position is not used, it will be converted to a Main Draw Direct Acceptance position to be taken by the highest positioned player on the Singles Qualifying Acceptance list who has signed-in during the Qualifying sign-in.

**On-site Alternates**

On-site Alternates may sign-in on-site in person in anticipation to fill any vacant positions in the Qualifying Draw. On-site Alternates must fulfil all the player eligibility rules (as above) including to have registered for an IPIN and paid the annual Junior IPIN fee. If the IPIN has not been paid, the player must pay the fee on-site to the Referee before being allowed to sign-in. On-site Alternates assume all player obligations and agreements similar to entered players.

Players may only play in one Singles event during a tournament week. This applies also to tournaments with more than one age group and different sign-in dates, and where a player has already been eliminated in one age group before the next sign-in takes place. Violation of this Section shall result in a default by the Tennis Europe Referee and forfeiture all Tennis Europe ranking points from the additional tournament or event.

**Wild Cards**

Wild Cards are not required to sign-in, but must reconfirm their participation by contacting the Referee before the Qualifying Sign-in Deadline.

**Following the Qualifying Sign-in Deadline**

Following the Qualifying Sign-in Deadline the Referee shall sort all players who have signed-in in the following order:

**Acceptance Method A (Except for 12&Under events):** Entered and ranked players appearing on the Qualifying Acceptance or Alternates list in the order shown on the list;

**Acceptance Method B:** Entered and non-ranked players appearing on the Qualifying Acceptance or Alternates list in the established sequence shown on the list;

**Acceptance Method C (Except for 12&Under events):** On-site Alternates who appear on the Tennis Europe Junior Ranking list for the age group of the event, dated Tuesday 6 days prior
to the Tournament week, in ranking order (i.e. 14&Under players signing in for a 16&Under Doubles event will use their 16&Under ranking). Any ties shall be broken by lot.

**Acceptance Method D:** On-site Alternates without a Tennis Europe Junior Ranking are drawn randomly without consideration to any National Rankings, except that if the Tournament Organiser can provide a current, verified ranking for the applicable Age Group such ranking can be used to order domestic players when drawn. Otherwise Referees must otherwise not check any websites or documents for rankings.

**Preparing for the lists for the Qualifying draw**

Once the players are ordered as above and the Main Draw and Qualifying Wild Cards are confirmed by the Tournament Director, players are:

- Moved to the Singles Main Draw as Special Exempts, Main Draw Wild Cards, or to fill vacant positions either having signed-in on site or after applying to preserve eligibility;
- Assigned as Qualifying Wild Cards;
- Any remaining On-site Alternates who are not selected for the Qualifying Draw are moved to the Alternates list, with the option to sign-in the following day(s) to take any further vacancies in the Qualifying draw;
- Any players who did not sign-in are excluded from the tournament, and if committed to play to be reported for Suspension points as Late Withdrawals or No-shows (see below).

The Main Draw sign-in Deadline shall open at least two (2) hours earlier.

Entered players who preserve eligibility for the Main Draw during the Qualifying sign-in and who were moved to the Singles Main Draw must also sign-in at this time.

Players are required to produce his/hers Passport or National ID to verify their Date of Birth and Nationality.

Exceptions for signing-in on-site in person

The player must be able to be on-site and play his/her first round match by the end of the first round of Main Draw in that event.

- Players who signed-in onsite for the Qualifying event and were subsequently moved to the Main Draw are considered signed in and are not required to sign-in again.

- Players travelling as part of a National Squad for the previous tournament week, may – on request of the National Coach/accompanying person - be signed-in by the Referee of the previous week’s tournament, if any other member of the squad is still competing in that tournament in the two days preceding the start of the Qualifying Main Draw event.

Players should voluntarily pay their entry or IPIN fee upon arrival at the Tournament site. Players not having paid their entry or IPIN fees before first match will not be accepted to play.

Following the Singles Main Draw Sign-in Deadline

Following the Main Draw Sign-in Deadline the Referee shall sort all players who have signed-in in the following order (including players who were moved to the Main Draw list after the Qualifying Sign-in Deadline):

Acceptance Method A (Except for 12&Under events): Entered and ranked players appearing on the Main Draw Acceptance list in the order shown on the list;

Acceptance Method B: Entered and non-ranked players appearing on the Main Draw Acceptance list in the established sequence shown on the list.

Acceptance Method D (12&Under events without Qualifying draw only): On-site Alternates are drawn randomly without consideration to any National Rankings, except that if the Tournament Organiser can provide a current, verified ranking for the 12&Under Age Group such ranking can be used to order domestic players when drawn. Referees must otherwise not check any websites or documents for rankings.
Thereafter:

- The Main Draw Wild Cards as reconfirmed by the Tournament Director are added to the list.

- If the Qualifying event is completed, the Qualifiers are added to the list together with Lucky Losers as required to fill vacancies known at this time. The order of Lucky Losers is established as described below. There is no requirement to sign-in as lucky loser at this time and all players who lost in the Qualifying event must be considered for Lucky Loser positions at this time.

  If the Qualifying event is still in progress the positions for Qualifiers and Lucky Losers are kept open until all Qualifying finals have finished;

- For tournaments without a Qualifying draw, vacant positions are filled by the next Alternates in the sequence established on the Alternates list, followed by Onsite Alternates ordered as above.

- Players who did not sign-in as required are excluded from the tournament, and if committed to play reported for Suspension points as Late Withdrawals or No-shows (see below).

The Singles Main Draw shall be conducted immediately thereafter. For seeding and draw procedures, see below.

**Lucky Losers**

The order of Lucky Losers is established in the following way:

- Players who have lost in the Qualifying finals, and if required, players who have lost in previous Qualifying round(s) in sequence. For each round, Lucky Losers shall be selected as follows: The order of players with a Tennis Europe Junior Ranking shall be randomly drawn, thereafter the order of the unranked players shall be randomly drawn.

  i) At the end of the Qualifying, the Tennis Europe Referee will fill the Main Draw with all of the Qualifiers and, if necessary, Lucky Losers in the order that they were drawn.

  On the day of the completion of the Qualifying, all players who lost in the last round of Qualifying will be considered for a Lucky Loser position. Therefore, it is the player’s responsibility to inform the Tennis Europe Referee by the end of the Qualifying if they do not want to be considered for a Lucky Loser position.

  ii) On subsequent days Lucky Losers must be present and sign-in with the Tennis Europe Referee at least 30 minutes before the scheduled start of play, to be eligible as Lucky Losers.

This order is used at the time the Singles Main Draw is made, or if the Qualifying was still in progress at this time when the draw is completed once the Qualifying is completed.

The order so established is also used for the Lucky Loser Sign-in lists used on the first day(s) of the Main Draw as long as there are still players to play their first match, whether this is in the first round or subsequent rounds. For such days, the Lucky Loser Sign-in closes 30 minutes before the scheduled start of play in the event and shall open at least 30 minutes before.
Once called, a Lucky Loser must be ready to play within five (5) minutes. If a Lucky Loser is called to play but is not ready within five (5) minutes, the player will be moved to the bottom of the Lucky Loser list for that day, but will keep his/her original position on the list any for further days.

There are no Wild Cards for Bonus Draw (Consolation) Draws.

The Tournament Organiser may choose the format for a Bonus Draw (Consolation) draw among the options below. The match format must be announced when the Bonus Draw (Consolation) sign-in opens, which should be when the Singles Main Draw starts.
13. Seeding and Draws in 16&Under and 14&Under events

Public Draws

All draws shall be conducted in by the Referee using the European Junior TP software. At least two players or official coaches of National Squads shall be present to witness the process, one of whom shall be of a different nationality to that of the host country.

Seeding criteria

Seedings will not be official until the draw is made.

Draws shall be seeded based on the Tennis Europe Junior Ranking dated on the Tuesday 6 days prior to the Tournament week. Players without a Tennis Europe Junior Ranking must not be seeded. Doubles teams must not be seeded unless both players have a Tennis Europe Junior Ranking.

For 14 & Under Super Category and selected Category 1 and other events, and – following approval by Tennis Europe players from Non-European countries may be seeded, or have their seed-position modified, based upon a majority decision of the Coaches and Tournament Organiser representatives present at a Seeding Meeting to be held immediately after the Main Draw Sign-in Deadline. The meeting shall be called and conducted by the Referee who shall modify the order of seeding according to the decision of the meeting. The intention of this rule is to allow adequate seeding for Non-European players without sufficient ranking points on the Tennis Europe Junior Tour, but not to modify the seed order among the European players. The draw shall take place immediately after the conclusion of the meeting.

Distribution of players from the same nation

Seeded players from the same nation shall be distributed throughout the draw based on the Tennis Europe Junior Ranking used for seeding.

For doubles, only teams where both players are from the same nation are considered for such distribution.

Seeded players from the same country shall be distributed as follows:

- No. 1-2 seeds shall be drawn to different halves of the draw.
- No. 3-4 seeds shall be drawn to different quarters of the draw, not previously occupied by another player/team from that nation.
- No. 5-8 seeds shall be drawn to different eights (1/8th) of the draw, not previously occupied by another player/team from that nation.
- No. 9-16 seeds shall be drawn to different sixteenths (1/16th) of the draw, not previously occupied by another player/team from that nation.

The remaining players from a nation shall be distributed as much as technically possible across the draw without regard to ranking.
This also applies to the distribution of Qualifiers and Lucky Losers draws at the end of the Qualifying event, should the Main Draw be done before the Qualifying event was finished.

**Withdrawal of seeds**

If a seeded player withdraws, the remaining seeded players shall stay in their positions and the replacing player inserted in the vacated position.

**Seed numbers and positions for Singles Qualifying (16&Under, 14&Under)**

**Sectioned draws**

The Qualifying draw shall be made in sections, and the winner of each section shall be given a place in the main draw. If four (4) qualifiers are required, there shall be four (4) sections; six (6) qualifiers, six (6) sections; and so on.

Each section shall have two seeded players.

- For a draw with 2 sections: 4 seeds
- For a draw with 4 sections: 8 seeds
- For a draw with 6 sections: 12 seeds
- For a draw with 8 sections: 16 seeds

The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section.

If there is an insufficient number of ranked players to fill all the positions for seeds in the draw, the section(s) with the highest seeds shall not have a second seeded player.

If there is an insufficient number of players to fill all the positions in the draw, byes shall be awarded to seeded players in descending order.

**Distribution of players from the same nation**

Seeded players from the same nation shall be distributed throughout the draw based on the Tennis Europe Junior Ranking used for seeding.

Seeded players shall be distributed as follows:

- The top group of seeded players (corresponding to the number of sections in the draw) from one country shall be drawn to different sections of the draw.

- The next group of seeded players (corresponding to the number of sections in the draw) from one country shall be drawn to different sections of the draw.
The remaining players from a nation shall be distributed as much as technically possible across the sections without regard to ranking.

**Withdrawal of seeds**

If a seeded player withdraws - or is moved from Qualifying to the Main Draw – the remaining seeded players shall stay in their positions and the replacing player inserted in the vacated position.
14. Draws in 12&Under events

Public Draws

All draws shall be conducted in by the Referee using the European Junior TP software. At least two official coaches of National Squads shall be present to witness the process, one of whom shall be of a different nationality to that of the host country.

Draw types

All 48 and 64 Singles draws and all Doubles draws are Elimination draws. 32 Singles draws can be Elimination draws or a combination of Round-Robin Draws together with a Play-off to be selected at the time of the Tournament Application. An optional Qualifying draw – as approved at the time of tournament sanctioning - is always for 32 players (Qualifying draws may not be added unless approved by Tennis Europe and announced in the Fact Sheet).

All 12&Under draws are unseeded.

12&Under events, with the exception of those using the Round Robin and Play-off format, must offer an (elimination) bonus draw (Consolation).

Elimination Draws

Elimination draws are conducted as described above, except for seeding, but including distribution of players from the same country. In addition, for each nation, the four highest ranked players based on national ranking (as submitted to and registered by Tennis Europe no later than 7 days prior to the tournament week) shall be drawn to different halves of the draw.

Round Robin and Play-off draws

The 32 players are drawn, considering the distribution of players from the same country, into eight (8) groups of four (4) players, who will play each other in a Round Robin Format.

Once the Round Robin play is completed, the winners of each group will play an 8-player unseeded Play-off.

In a Round Robin group the following rules apply:

- Players/doubles teams are awarded one (1) point for winning a match

The standings in a Round Robin group is determined by:

- Highest number of points

If the number of points is equal for

- two (2) players/doubles teams: the head-to-head result

If the number of points is equal for three (3) or more players/doubles teams, for these players/doubles teams only:

- the percentage of sets won of sets played against all players/doubles teams in the group
if, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head result played between the two players/doubles teams will be used to break the tie

• the percentage of games won of games played against all players/doubles teams in the group

  o if, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head result played between the two players/doubles teams will be used to break the tie

• if, after this, there are still players/doubles teams that remain tied, Tennis Europe Junior Ranking of the players/doubles teams used for seeding in the event will be used to break the tie

  o if, after this, there are still players/doubles teams that remain tied, then drawn by lot.

If a player/doubles team withdraws or is a no-show for the entire tournament, the player/doubles team is defaulted from the event and all his/her/their results from matches played by are void and not to be considered.

The Round Robin format shall be used for any Main Draw:

- with 24-32 players: 8 groups of 3-4 players
- with 12-15 players: change to 4 groups of 3-4 players, feeding the top-2 players of each group to the 8-player Play-off

For events where the number of player are not among the above the following formats must be used:

- for 17-23 players, change to an Elimination draw (32 with byes) and no Play-off. A Bonus draw must be offered for players losing their first match in the Main Draw (either in the 1st or 2nd round). Taking part in the Bonus draw is not mandatory for these players and there will be a sign-in closing 30 minutes after the last player has completed his/her 1st match.

- for 9-11 players, change to an Elimination draw (16 with byes) and no Play-off. A Bonus draw must be offered for players losing their first match in the Main Draw (either in the 1st or 2nd round). Taking part in the Bonus draw is not mandatory for these players and there will be a sign-in closing 30 minutes after the last player has completed his/her 1st match.
15. Match formats

Appendix B - Tennis Europe Junior Ranking

*Tennis Europe reserves the right to from time to time modify features and parameters in the Ranking system.*

Introduction

The Tennis Europe Junior Ranking uses a combined points system for all age groups. The aim is for the ranking system to show the relative strength of all players, regardless of where they have achieved their results and picked up ranking points. From these lists, using all collected ranking points 16&Under and 14&Under ranking list are then derived.

A working group of coaches with considerable experience from the Tennis Europe Junior Tour, and representing several European countries, is monitoring the rankings on a regular basis and suggest modifications for improvements. This means that players may have more or less points between ranking issues, and be up- or downgraded relative to other players. This includes modifications to past tournaments as well as future tournaments.

*Rankings will be based on the best six (6) events (for details see below).*

Point allocations

*Tennis Europe reserves the right to modify the ranking parameters during the year to obtain the best ranking possible.*

ITF Regional Associations may apply for the right to award Tennis Europe Junior Tour ranking points at selected tournaments. This will be considered in exceptional cases, and is subject to the prior approval of the Tennis Europe Board of Management.

The table on page 47 is used as the base for ranking calculations. *The points may be modified during the year.*

14&Under events: Results will generate 100% of the points in the table. E.g reaching the semi-final of a 32 Singles draw in a 14&Under Category 3 event, gives 30 points.

16&Under events: Results will generate 200% of the points in the table (rounded up). E.g reaching the semi-final of a 32 Singles draw in a 16&Under Category 3 event, gives 60 points (200% of 30 points). *The factor may be modified during the year.*

Points reached in the Qualifying and Bonus Draws (Consolation) at Category 1 events are in addition to the above.

The six best Singles results (by points) over a 52-week period count to the new ranking, although players eligible to play in 14&Under events may only count two of these results from 16&Under events. The two best Doubles results, regardless of age group are added to this. Points achieved at the European Junior Championships and Masters events are included in the six events. For members of Winter and Summer Cups teams (best two team events counts) are in addition to the six tournaments above and also the ITF World Junior Tennis Finals U14 or ITF Junior Davis Cup Fed Cup by BNP World Finals U16 (European players reaching top 8 only) count.
The ITF Junior Circuit rankings from the previous week are taken into consideration for players turning 15 and 16 years during the tournament year. 200% of the ITF Junior Ranking points are added. *The factor may be modified during the year.*

The professional rankings from the previous week are taken into consideration for players turning 15 and 16 years during the year. For boys 200% of the ATP Ranking singles points are added, and for girls 200% of the WTA singles points are added. *The factors may be modified during the year.*

Any player found to have played in two tournaments during the same tournament week, will forfeit all ranking points earned during the week.

Any player that leaves a tournament prior to his/her elimination from all entered events (Singles, Doubles and/or Bonus Draw), or retires from a tournament for medical reasons, without a valid medical certificate (from the tournament doctor), will forfeit all ranking points won in all events at that tournament and be subject to the penalties set forth in the Code of Conduct.

**12&Under starting points**

According to ITF Age Eligibility rules, players aged 12 and Under must not be ranked. Consequently all 12&Under events are unranked and unseeded.

To facilitate the transfer into the next age group, players turning 12 years of age during the calendar year, will collect ‘Starting points’ at 12&Under where they reach the Singles quarter-finals, semi-final or final and/or the Doubles final and Bonus Draw final.

The six best Singles results, and the two Doubles results from 12 & Under events are used. Points achieved for team members at the Winter Cups and Nations Challenge (two team events counts) are in addition to the six tournaments above.

The Starting points are not published during the year and cannot be used for acceptance and/or seeding purposes.

The Starting points are ‘switched on’ from the Entry Deadline of the first tournament of the next year, i.e. the year the player turns 13 years of age.

**Ranked players**

European players with Tennis Europe Ranking points, ITF Junior Ranking points and/or Pro Ranking points are included in the Tennis Europe Junior Ranking.

Non-European players with Tennis Europe Ranking points, ITF Junior Ranking points and/or Pro Ranking points are included in the Tennis Europe Junior Ranking, provided they have a valid Tennis Europe Account for the Tournament Year.

Players who have played on the Tennis Europe Junior Tour during the past 52 weeks, and don’t have any Tennis Europe Ranking points, ITF Junior Ranking points or Pro Ranking points are not included in the Tennis Europe Junior Ranking.

Players turning 12 years of age or younger are not included in any ranking lists.
Presentation of the Ranking lists

Players having picked up ranking points in the defined events during the last 52 weeks are included in the rankings from the year they turn 13* until the year they turn 16. Players that are still eligible to play 12&Under events will not be included in any ranking lists as such rankings are not allowed under the ITF Age Eligibility rules.

* Players turning 13 years during the calendar year are added to the rankings from the date of the entry deadline for the first tournament of the new year (i.e. in the first part of December the previous year).

Using the total ranking points achieved, the 14&Under players will appear with two rankings: on the 16&Under (general) list and on the 14&Under list.

All rankings are available online from www.tenniseurope.org and are updated each Tuesday after the previous week’s results have been processed. The new rankings are then used for the acceptances into the tournaments with an Entry Deadline on the same Tuesday.

New age group limits, allowances and calculations will apply for Ranking list produced for tournaments in the following year, with Entry Deadlines late in the present year. These rankings are also valid for selection of Onsite Alternates (OSA) and seedings for the last tournaments in the present year, and for this purpose players about to leave the ranking age group will stay on the ranking lists until the end of the year.

Players tied with an equal number of ranking points are shown in a random order within the same ranking position for the week. Any assignment of positions in an acceptance list is drawn separately for the tied players (i.e. tied players may show if different order on the ranking system and in acceptance lists based on the same ranking week).

If an error, individual or generic, is found in the ranking system, this will be corrected as soon as technically possible, and the recalculated rankings will be applied from the next ranking update. Any acceptance or seeding lists based on the erroneous rankings are still valid, and won’t be updated.

Using the rankings for Acceptance and Seeding

The 16&Under rankings issued 27 days before the tournament week (i.e. the same day as the Entry Deadline) are used for Singles Acceptances into 16&Under events.

The 14&Under rankings issued 27 days before the tournament week (i.e. the same day as the Entry Deadline) are used for Singles Acceptances into 14&Under events.

The 16&Under Rankings issued Tuesday 6 days before the tournament week (i.e. the same day as the Entry Deadline) are used for acceptance of On-site Alternates and for seeding in 16&Under events. Appendix C – Code of Conduct

ARTICLE I: GENERAL

A. PURPOSE

Tennis Europe promulgates this Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by junior players and player support team members at all tournaments, continental championships and international team competitions included in the Tennis Europe Junior Tour, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis.

B. EXCLUSIVE APPLICABILITY

This Tour Code of Conduct shall be the basis for disciplinary action against any player or tournament in the Tennis Europe Junior Tour tournaments, except to the extent that disciplinary jurisdiction is established in relation to such tournaments under (i) the Uniform Tennis Anti-Corruption Program; and/or (ii) the Tennis Anti-Doping Programme; and/or (iii) the ITF Welfare Policy.

C. REFEREE

The approved Referee for each Tennis Europe Junior Tour tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: PLAYER ENTRY OFFENCES

A. APPLICABILITY

This Article shall only apply to the Tennis Europe Junior Tour events.

B. ENTRY OFFENCES

1. Late Withdrawal

A player in Main draw or Qualifying may withdraw from a tournament no later than 14:00 GMT thirteen (13) days prior to the Monday of the tournament week without incurring penalty. After this Withdrawal Deadline, a player in Main Draw or Qualifying is committed to the tournament. A player in the Alternate List may withdraw at any time prior to such time as they are moved into the Qualifying as a Direct Acceptance, from which time they are committed to the tournament.

Singles withdrawals are made online at www.tenniseurope.org or for players who cannot use the online facility, by email using the official withdrawal form to juniors@tenniseurope.org. It is the responsibility of the sender to ensure that the withdrawal has been received.

Tennis Europe Players cannot withdraw directly with the tournament organisers.
Any late withdrawal by a player from a tournament, after the three permitted withdrawals per year, shall be automatically punished by the levy of points. See section W for details.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. Permitted Late Withdrawal

Players are permitted three (3) Withdrawals per year which shall not count as Late Withdrawal Offences, providing the player withdraws prior to the Qualifying Sign-in Deadline.

3. On-Site Medical Withdrawal

a) If a player is forced to withdraw after sign-in for medical reasons, the Tennis Europe Medical Certification form must be completed in English by the medically qualified physician on-site indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament. Such medical documentation will excuse any penalty for the tournament and/or any subsequent tournament(s) but only until the stated expiry date or until the player next competes in any tennis event (whichever occurs first).

The Medical Certification Form can be issued to a player who has won or lost his final match and/or been eliminated from the tournament but it will not excuse late withdrawal penalties from subsequent tournaments except as stated in the section Consecutive Late Medical Withdrawals below.

b) A player that has endured a medical condition during the Tournament Week, but who completes their Tournament matches, may obtain a Medical Certificate from the Tournament Doctor/Sports Physiotherapist that can be used to withdraw from the following week’s tournament without penalty. The player must obtain the Medical Certificate within 24 hours of completing their final match. If the player wishes to use the Medical Certificate to withdraw from the following week’s tournament then the player must inform Tennis Europe and the Tennis Europe Referee (if after the Freeze deadline) no more than 48 hours after obtaining the Medical Certificate or before the Qualifying Sign-in, whichever is sooner. Players who complete their final match of the tournament after the Qualifying Sign-in of the following week’s Tournament must obtain a Medical Certificate before leaving the site and must inform the Tennis Europe Referee as soon as possible.

4. Consecutive Medical Withdrawals

A player’s withdrawal from consecutive tournaments due to injury or illness or following an on-site medical withdrawal, will be considered as one (1) withdrawal if the player gives notice of such to Tennis Europe. Following recovery, should a player participate in a tournament and have to withdraw through injury or illness, a new medical certificate will be required, even if the injury is a recurrence.

5. No-Show

Any player accepted to the Main Draw or Qualifying of a tournament who fails to sign-in without notifying Tennis Europe and Referee of his withdrawal shall be considered a ‘No-Show’ and shall be automatically punished by the levying of suspension points.
Any player accepted to a Category 1 Main Draw who fails to appear for his/her first match shall be considered as a No Show and shall be automatically punished by the levying of suspension points.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

6. **Concurrency**

No player who has entered and been accepted into a Tennis Europe Junior Tour event shall play in any other tennis event during the period of such tournament. Violation of this Section shall result in a default by the Referee. In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

C. **WILD CARDS**

No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of a Tennis Europe Junior Tour tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

D. **FALSIFYING OFFICIAL DOCUMENTATION**

Should a player submit documentation that Tennis Europe deems to be false evidence, including but not limited to documents pertaining to tournament entry and withdrawal and Code of Conduct appeals, the player shall be subject to disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

E. **DISCRETIONARY REVIEW**

Any player found to have committed an Entry Offence may appeal to the Manager, Junior Tennis for discretionary review of the determination of guilt and penalty. Such Notice of Appeal may only be sent when they reach a total of fifteen (15) suspension points.

Attached to and included with such Notice of Appeal shall be a statement by the player as to the facts and circumstances of such incident along with any other evidence that the player desires to submit. Any player submitting fax transmission receipts when appealing a Player Entry Offence should note that all fax receipts must match exactly the fax receipt records at the Tennis Europe Office; i.e. fax transmission receipts submitted must show the originating fax number, the fax number of the Tennis Europe Office, the OK status, the number of pages transmitted, the date, the time and the transmission duration. If there is no exact match with the transmission receipt records at the Tennis Europe Office the appeal will be rejected as insufficient evidence submitted.
Upon receipt of such an Appeal, the Tennis Europe Manager, Junior Tennis shall conduct a reasonable investigation of the facts and circumstances surrounding such incident, and shall affirm or reverse in whole or in part the determination of the Offence.

ARTICLE III: PLAYER ON-SITE OFFENCES

A. GENERAL

Every player, coach, trainer, relative, parent or guardian, as well as any other player support team member, shall, during all matches and at all times while within the precincts of the site (including the official tournament hotel) of a Tennis Europe Junior Tour tournament, conduct himself/herself in a professional manner. The provisions hereinafter set forth shall apply while within the precincts of each such site.

B. PUNCTUALITY

Matches shall follow each other without delay in accordance with the announced order of play. The order of play shall be posted in a highly visible place in a general players’ area as designated by the Referee.

 Matches shall be called in accordance with the order of play using all available and reasonable means. Players shall be ready to play when their matches are called.

Any player not ready to play within fifteen (15) minutes after his/her match is called shall be defaulted unless the Referee in his sole discretion, after consideration of all relevant circumstances, elects not to declare a default.

This applies to Singles, Doubles and Bonus draws (Consolation).

C. DRESS AND EQUIPMENT

Every player shall dress and present himself/herself for play in a professional manner. Clean and customarily acceptable tennis attire shall be worn.

Any player who violates this Section may be ordered by the Chair Umpire or Referee to change his/her attire or equipment immediately. Failure of a player to comply with such order may result in an immediate default. (Tennis Europe reserves the right to interpret the following rules so as to give effect to the intent and purposes of these Regulations).

1. Unacceptable Attire

Sweatshirts, gym shorts, dress shirts, T-shirts or any other inappropriate attire shall not be worn during a match (including the warm-up).

a. Shoes

Players are required to wear tennis shoes generally accepted as proper tennis attire. Shoes shall not cause damage to the court other than what is expected during the normal course of a match or practice. Damage to a court may be considered as physical or visible, which may include a shoe that
leaves mark beyond what is considered acceptable. The Referee has the authority to determine that a shoe does not meet these criteria and may order the player to change.

i. Grass Court Shoes

At Tennis Europe Junior Tour tournaments played on grass court, no shoes other than those with rubber soles, without heels, ribs, studs or coverings, shall be worn by players. Shoes with pimples or studs around the outside of the toes shall not be permitted. The foxing around the toes must be smooth.

The Referee has the authority to determine that a tennis shoe’s sole does not conform to such customs and standards and can prohibit its use at Tennis Europe Junior Tour events played on grass courts.

ii. Clay Court Shoes

Players are required to wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Referee has the authority to determine that a tennis shoe’s sole does not conform to such customs and standards and can prohibit its use at Tennis Europe Junior Tour events played on clay courts.

Grass court shoes shall not be worn during a match on clay courts.

3. Identification

(The Referee can extend the time of play if, in his opinion, the match can be concluded in a reasonable time.)

For 12 & under: It is mandatory that the latest start time for any match is not later than 20.00 hrs. Any match that is not completed by 23.00 hrs. should be interrupted and postponed until the following day. (The Referee can extend the time of play if, in his opinion, the match can be concluded in a reasonable time.)

A tournament can apply to Tennis Europe for an exemption to the mandatory latest start time at least three months before the entry deadline.

If play is seriously delayed during the week due to adverse weather, the tournament can apply to Tennis Europe to extend the latest start time or modify the match format.

The Referee shall produce an Order of Play for each day using the European Junior Tournament Planner (EurTP) software. The aim shall be to publish the Order of Play by 19.00 local time.

Every evening, the Order of Play for the following day shall be published and displayed at the venue(s), official hotel(s) and otherwise be made available for competitors and coaches.

Singles Main Draw events may start earliest on the Tournament Monday, unless otherwise approved by Tennis Europe and announced in the Fact Sheet.

The Tournaments have the right, in case of adverse weather conditions, to extend the tournament duration, during the event.

Rest between tournaments

The Referee shall, whenever possible, allow a player who has competed on the final day of the preceding tournament, a full day for travelling and rest before that player is obliged to play the first round of the succeeding tournament.

Rest between Qualifying and Main Draw

Other than in exceptional circumstances, no player shall be required to play his/her first round match in the Singles Main Draw until at least twelve (12) hours after the completion of his/her final Qualifying match. If a player plays two (2) singles qualifying matches on the last day of Qualifying, he/she should not be scheduled on the following day for his/her first round match.
**Other scheduling principles**

The daily Order of Play shall be prepared with the matches scheduled on specific courts to follow each other consecutively without delay or, where appropriate, with the matches scheduled and clearly designated as “not before” a certain time. Once the Order of Play has been released it should not be changed.

**Prior Tournament**

Prior to scheduling matches for the first day of play, the Referee should contact the Referee(s) of the preceding week’s tournaments to determine to what extent players still competing therein may have difficulties in arriving for play. To the extent possible and, providing it does not jeopardise the fairness of scheduling and the completion of the tournament, the Referee should schedule matches so that players with reasonable difficulties can be reasonably accommodated.

**Qualifying**

The qualifying event for singles should be scheduled for completion on the day before the commencement of play in the Main Draw, unless otherwise approved by Tennis Europe. Matches should be scheduled so that a player will not be required to play more than two singles qualifying matches in the same day, except when weather or unavoidable circumstances cause schedule disruption. Whenever more than one round of qualifying must be played in one day, the order of play should conform to the sections of the draw.

**Main Draws**

Players shall not be scheduled for more than one singles and one doubles match per day, unless weather or other unavoidable circumstances have caused schedule disruptions. A player’s singles match on any particular day shall be scheduled before his/her doubles matches unless otherwise directed by the Referee.

**Suspension of play, Postponements, Warm-up and Re-warm up**

The Chair Umpire, or for non-umpired matches the Off-court Umpire, may suspend a match temporarily due to darkness or conditions of the courts or weather conditions. Any such suspension by the Official must be reported immediately to the Referee.

The Referee must make all decisions on the postponement of a match until a day later. Unless and until a match is postponed by the Referee, the players and all Officials must remain ready to resume the match.

Upon suspension of a match, the Official shall record the time, point, game and set score, the name of the server, the sides on which each player was situated and shall collect all balls in use for the match. If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set.

There shall be five (5) minutes of warm-up before a match.

In the case of a suspended or postponed match, the period of warm-up shall be as follows:
• 0 –15 minutes delay: No warm up
• Between 15 and 30 minutes delay: 3 minutes warm-up
• 30 or more minutes of delay: 5 minutes warm-up

**Between Matches**

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum of one (1) main draw singles match and one (1) main draw doubles match per day, which shall not be scheduled less than twelve (12) hours after the completion of the last match of such player on the preceding day or round.

Whenever it is necessary to schedule more than one match in the same day such player shall, unless he/she is in a singles and doubles final to be played consecutively, be given the following minimum rest periods:

a) Played less than one (1) hour - half (½) hour rest

b) Played between one (1) hour and one and one half (1½) hours - one (1) hour rest

c) Played between one and one half (1½) hours and two (2) hours - one and one half (1½) hours rest

d) Played more than two (2) hours – two (2) hours rest

If play has been interrupted for thirty (30) minutes or more due to rain or other warranted delay, the length of match time would be assessed from the moment play resumes following the delay.

If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play. No rest is allowed after the second set in a three-set singles match unless the extreme weather conditions rule is in effect.
Appendix F - Medical, Extreme Weather Conditions and Toilet/Change of Attire Breaks

Medical

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (also known as the Primary Health Care Provider) during the warm-up or the match.

- Treatable Medical Conditions
  - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
  - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions
  - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
  - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
  - General player fatigue.
  - Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court. *

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.
c. **Medical Time-Out**

A Medical Time-Out is allowed by the Referee or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

**Muscle Cramping**: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

**Note:**

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.
A total of two (2) consecutive Medical Time-Outs may be allowed by the Referee for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist should be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the Referee may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.
g. **Vomiting**

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. **Incapacity**

If any concern arises about a player’s medical condition (whether physical or psychological) they are unable to compete, or they pose a serious health risk to players, officials or tournament organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Tournament Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player.

However, if the Tournament Doctor determines that the player’s medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the Tennis Europe Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such report from the Tournament Doctor, the Tennis Europe Referee will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The Tennis Europe Referee shall use great discretion before taking this action, and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player’s medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the Tennis Europe Referee accordingly. At the discretion of the Tennis Europe Referee, the player may subsequently compete in another event at the same tournament, (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.
EXTREME WEATHER CONDITIONS AND LIGHTNING

a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Weather Conditions shall be defined as when the Heat Stress Index (Wet Bulb Globe Temperature (WBGT) Index) meets or exceeds 30.1°C/86.2°F. If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the Tennis Europe Referee or his/her designee. Ideally, measurements should be taken every two (2) hours, but a minimum three (3) readings should be taken at the following times:

i. 30 minutes before match play begins;
ii. Middle of the scheduled day’s play; and
iii. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.
The WBGT or Heat Index also should be measured under the following circumstances:

(a) Following any suspension of play; and
(b) At the discretion of the Tennis Europe Referee, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the ITF Guide to Recommended Health Care Standards for Tennis Tournaments.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition – Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the Tennis Europe Referee has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles & Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 sets match) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10-minute break will no longer be available, unless otherwise decided by the Tennis Europe Referee.

The Tennis Europe Referee, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

i. During the 10-minute break:

a. No coaching is allowed.

b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the Tennis Europe Referee. This would normally be restricted to requests for the
Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets 73 match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.

ii. Immediately following the 10-minute break:

a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).

b. No re-warm up is allowed.

c. A player is not allowed to receive a Medical Evaluation, Medical TimeOut or Medical Treatment, unless approved by the Tennis Europe Referee.

iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the Tennis Europe Referee should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the Tennis Europe Referee has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

e. Lightning

The Tennis Europe Referee or his/her designee is responsible for monitoring the local weather for lightning. The Tennis Europe Referee has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the ITF Guide to Recommended Health Care Standards for Tennis Tournaments.
Toilet /Change of Attire Break

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (girls matches).

Toilet breaks should be taken on a set break. Change of attire breaks (girls’ matches) must be taken on a set break.

In girls’ singles events, a player is entitled to one (1) break during a match. In boys’ singles events, a player is entitled to one (1) toilet break.

In a doubles match, and in any singles matches played with a reduced format of two tiebreak sets and a match tiebreak, a toilet break/change of attire break is not permitted before the match tiebreak.

In a doubles match, each team is entitled to two (2) breaks. If partners leave the court together, it counts as one (1) break. If only one player leaves the court, it also counts as one (1) break. These breaks may be taken for toilet visits, change of attire (girls’ matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet/change of attire break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet/change of attire break taken after a warm-up has started is considered one of the authorised breaks. Toilet breaks taken not on a set break will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time. The Tennis Europe Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Tennis Europe Referee as gamesmanship and/or flagrant abuse of the Rules. A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Tennis Europe Referee. A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.
Appendix G - Matches played without a Chair Umpire

Instructions for Referees are available from ITF and Tennis Europe

Some matches will be played without a Chair Umpire. All players should be aware of the following basic principles when playing a match in these circumstances:

- Each player is responsible for all calls on his/her side of the net
- All “out” or “fault” calls should be made promptly after the ball has bounced and loudly enough for the opponent to hear
- If in doubt, the player must give the benefit of the doubt to his/her opponent
- If a player incorrectly calls a ball “out” and then realises that the ball was good, the point should be replayed, unless it was a point winning shot or unless that player made an incorrect “out” call earlier in the match. In these circumstances, the player who called “out” loses the point.
- The server should call the score before each 1st serve, loudly enough for his/her opponent to hear
- If a player is unhappy with his/her opponent’s actions or decisions, he/she should call the Referee (or Off-court Umpire)

For matches played on clay courts, there are some additional procedures that all players should follow:

- A ball mark can be checked on a point ending shot, or when play is stopped (a return is permitted, but then the player must immediately stop)
- If a player is unsure of his/her opponent’s call, he/she can ask his/her opponent to show the mark. The player can then cross the net to look at the mark
- If a player erases the mark, he/she is conceding the point
- If there is a disagreement over a ball mark, the Referee (or Off-court Umpire) can be called to make a final decision
- If a player calls a ball “out”, he/she should, in normal circumstances, be able to show the mark.
- If a player incorrectly calls a ball “out” and then realises that the ball was good, the player who called “out” loses the point

Players who do not fairly follow these procedures could be subject to the Hindrance Rule and the Unsportsmanlike Conduct provision of the Code of Conduct.

Any questions on these procedures should be referred to the Referee.
Appendix H - Tournament Reports

Reports from the Referee

Daily (as often as required)
